

## CALL for ARTISTS, MUSICIANS & DANCERS

### for the Northborough Virtual Culture Fest of Music & Arts

The Northborough Cultural Council (NCC) is excited to announce that we will be holding our annual **Northborough Culture Fest of Music & Arts** as a **virtual** event as we continue to support our local artists, promote the arts and connect with the community. As such, this year's theme is "Thankful for the Arts, Culture and Community". In keeping with our tradition the event will feature musicians, dancers, and artists. Following this virtual concept, we will be displaying your talent in a montage of performances on **Northborough Cable Access Television (NCAT)** as a pre-recorded show, on YouTube and on our Facebook page. The event will premiere on **Friday Nov 6** with re-broadcasts on **Sat Nov 7 & Sun Nov 8** on NCAT.

#### Submission criteria:

- Provide a high quality and family-friendly performance appropriate for viewing by all ages
- Perform songs, music and artistic creations that are original, or for which the copyrights have been purchased
- **ART:** Take clear pictures of artwork (avoiding shadows). Pictures should be in jpg format in the highest resolution possible and be a little larger than the actual artwork to enable cropping & framing by NCC. Narrated videos of your artwork is also welcomed in mp4 format.
- **MUSIC & DANCE:** Music and other performances should be in mp4 landscape format. Consider quality lighting, sound and background noise control.

Please note that not all submissions will be included in the TV broadcast but all will be posted on various social media platforms such as YouTube Channel and Facebook.

As part of the NCAT show, NCC reserves the right to edit and use the provided performance in part or in whole at its discretion.

#### How to Submit:

- To apply, visit: [nccculturefest.org](http://nccculturefest.org)
- Application Deadline: October 15, 2020
- For questions, please contact [terryunderwood888@gmail.com](mailto:terryunderwood888@gmail.com)
